Queen's Hotel
Brighton

congratulations to you both

from the team here at the Queens Hotel Brighton.

Now it's the fun bit – the planning.

We are here every step of the way to ensure you have the day of your dreams. It's your day and we are more than happy to discuss with us how you want the day to go.

We've designed a couple of non-traditional wedding packages, or you can pick and choose from a variety of elements to come up with your own bespoke event.

Our air-conditioned Sandringham Suite is a perfect size for around 80 guests for the wedding breakfast event and up to 170 guests for an evening reception. It comes with its own fully stocked bar and large wooden sprung dance floor for you to dance the night away with your family and friends.

For smaller and more intimate daytime events we can offer our sea-facing bistro for up to 30 guests or the delightful Sun Lounge for up to 20 guests.

We haven't forgotten pre-wedding events either. Our Sun Lounge is ideal for intimate get togethers of between 10 and 20 of your friends and family and we have a number of packages to get your event moving nicely.

As one of the largest independent hotels in Brighton and Hove we love to be a little different so browse the brochure, discuss between yourselves (and the mother-in-law, of course) and give us a call to arrange to have a look around.

When you are ready to book, we will hold the date for 14 days for you to organise a non-refundable deposit of £500.

have fun and think differently.

questions

There's a whole variety of information out there telling you all the steps to take before the big day, so we won't bombard you information that you probably already know.

What we will do is answer some questions you might have for us.

How do we make a booking?

Let us know your preferred dates by calling or emailing the events office.

We will hold the date for 14 days. We will invite you in to discuss everything over a drink and we'll ask for a £500 non-refundable deposit. The date is then yours.

What about paying?

You can pay the balance of as often as you want as long as we have received 50% four months before and the total balance 1 month before.

These payments will be written into your contract as part of the cancellation terms. Don't forget insurance – you never know what might happen in the future.

Are you licenced for the ceremony?

We are not licensed for a civil ceremony, but we are just a few minutes' walk from the beautiful registry office in Brighton Town Hall.

You'll need to contact them directly to organise this – 01273 292016, option 2.

What else can I do to make our day special?

You can go as big as you like (but please discuss your ideas with us).

We can put you in touch with event decorators to give the room some extra shazam!

You could organise a harpist for some bistro elegance or a live singer for that different twist.

Basically, it's all yours so go for it.
